

# Mystery Busters

**Have you always wanted to solve the crime?**

**Do you love a good mystery?**

**Are you in 2nd-5th grade?**

**Then become a Mystery Buster!**

Are you a mystery buster? Then come to the lab and solve the crime. Learn the techniques of a forensic scientist and use your analysis, comparison, and deductive reasoning skills to solve a variety of imaginary mysteries. You will classify fingerprints of suspects, make impressions, learn the science of chromatography and analyze key evidence to determine who committed the crimes.

Grasshopper Enrichment Education classes are designed to engage the student with fun, challenging, and motivational instruction. Students actively participate in hands-on, real world, creative activities where they develop skills, make inquiries, and broaden their thinking.

Each student will walk away from the experience with newly acquired skills and a passion fulfilled.

## Mark Twain After School Programs Refund and Behavior Policy

**Refunds:** A full refund will be granted to any student who withdraws up to 2 days after the first class. Otherwise, no refunds unless initiated by PTSA.

**Behavior Policy:** Mark Twain PTSA organizes after school programs to offer students enrichment programs conveniently located at the school. However, for us to continue to offer these programs we must have one PTSA member stay to assist the instructor at each session. We must also insist that students respect the instructor and act in an appropriate manner, and that guardians be on time to pick up students at the end of each session.

If your student has behavior issues that are disruptive to the class, or is not picked up in a timely manner, we will issue you a warning. If there is a second incident, we will be forced to terminate your student's participation in the program. A refund for remaining sessions will not be granted.

Thank you for your cooperation.
